KALMIA MATTRESS - FOR YOUR REST, RELIEF AND HEALTH

Many people are still stuck in mass produced, poorly constructed beds. Their health and their homes deserve more. Kalmia is the answer. Its aesthetics are as upscale as you would find in any residential bedroom. Kalmia mattresses were designed from the ground up using a layered construction of memory foam, client control fabric and wellness features. You get:

- Superior pressure redistribution - relieves muscle, joint and back pain while keeping your body in perfect alignment
- Firm side edge - decreases risks of falls while laying down or sitting
- Bio-sensitive - helps prevent bed sores
- Micro climate ticking - maintains optimum temperature for sleep
- Works with adjustable system - improves circulation and comes with massage feature
- Compressed and UPS shippable

All Kalmia mattresses feature Sleep 37/5™

Bedding made with 37.5 technology actively removes excess heat and moisture vapor to maintain optimum comfort. People enjoy deeper, longer periods of sleep. This innovation is built into every Kalmia mattress.
